

## **Global Water Resources to Participate at 5th Annual ROTH Industrial Growth and Cleantech 1x1 Event, December 12, 2017**

**PHOENIX, AZ & NEW YORK, NY – November 30, 2017** – Global Water Resources, Inc. (NASDAQ: GWRS), (TSX: GWR), a pure-play water resource management company, has been invited to participate at the 5th Annual ROTH Industrial Growth and Cleantech 1x1 Event being held on December 12, 2017 at the Lotte New York Palace.

Global Water Resources' president and CEO, Ron Fleming, and the company's CFO, Mike Liebman, are scheduled to participate in one-on-one meetings held throughout the day.

Management will discuss how its organic growth is being driven by new connections and increased rates in the fast-growing Phoenix Metropolitan Area. They will also discuss the company's M&A strategy of pursuing accretive acquisitions.

This invitation-only event will give investors the opportunity to interact with senior management of a select group of small/mid-cap new industrials across the sector, including leaders in energy storage, biofuels, water/environmental services, grid infrastructure, fuel cells, alternative fuels, auto parts providers, wind, green plastics and energy efficiency. Common themes will include growth driven by innovation, rebuilding of U.S. manufacturing, and niche market success.

Following introductory remarks by ROTH's senior cleantech and industrial growth analysts, Craig Irwin, Philip Shen, Gerry Sweeney and Matt Koranda, investors will have the opportunity to meet one-on-one with the participating companies.

The event is for institutional clients of ROTH and is by invitation only. For more information, please contact your ROTH sales representative at (949) 720-5700 or e-mail: [conference@roth.com](mailto:conference@roth.com).
